Lester Snow
Executive Director, CALFED
1416 NINTH STREET
Sacramento, CA 95814

Do not build more dams. It
causes ecological unbalances. I oppose
the CALFED plan. We all need to
conserve water not build barriers
that will ruin and deplete many
rivers, lakes, creeks and so forth.
Please take this letter to respond
on the CALFED plan. Thank you
for your time.

Sincerely
